

Nederburg is one of South Africa's most awarded wineries, with a prize-winning pedigree, that stems from a culture of innovation and disciplined attention to detail. The wines are refreshing and richly fruited with bold flavours and structure. Their hallmark combination of contemporary, vibrant flavour and classical structure blends the best of both worlds - the New and the Old. Andrea Freeborough was appointed Nederburg cellar-master in 2015 to succeed Razvan Macici, under whom she worked for five years, at an earlier stage of her career. She brings a wealth of experience and a formidable prize-winning track record of her own. She is supported by two winemakers, who work closely under her direction. They are Samuel Viljoen, who produces the red wines, and Natasha Boks, who makes the whites.

SAUVIGNON BLANC 2015

THE RANGE 56HUNDRED or 5 600 guilders was the price founder, Philippus Wolvaart paid in 1791 for the farm in Paarl he was to call Nederburg. Bright, fresh, succulent, soft and smooth-drinking, these premium wines are a tribute to him. He had the vision to recognise the wine-growing potential of his land and the optimism to clear an untamed property and establish a flourishing farm that continues to thrive today, more than two centuries later.

This wine is made from Sauvignon blanc grapes.

VINEYARDS The grapes were sourced from vineyards in the Darling, Paarl and Philadelphia areas. The vines, planted between 1969 and 1998, are grown in Clovelly, Hutton, Tukulu and Oakleaf soils at altitudes ranging between 80m and 120m above sea level. Grafted onto nematode resistant rootstock Richter 99 and 101-14, they received supplementary irrigation from an overhead sprinkler system.

WINEMAKING The grapes were harvested by hand and machine at 21° to 22° Balling during February. The fruit was crushed and gently pressed to extract excellent quality juice. After clarification the juice was fermented in temperature-controlled stainless steel tanks at 15°C for three weeks. The vinification processes were strictly controlled to preserve the characteristic fruit flavours.
