Soft and approachable premium wines inspired by more than two centuries of winemaking begun by Nederburg's founder, who bought his land in Paarl in 1791.

This wine is made from Cabernet Sauvignon grapes.

VINEYARDS *The grapes were sourced from vineyards in the warm Paarl and Wellington areas in the Western Cape. Planted between 1990 and 1998, the vines are grown in soil originating from decomposed granite on southerly facing slopes, situated some 50m to 100m above sea level. Grafted onto nematode-resistant rootstock Richter 99 and 110, the vines are grown under dryland conditions and, when necessary, receive supplementary irrigation from either micro- or drip-irrigation or an overhead sprinkler system.*

WINEMAKING *The grapes were harvested by hand and machine at 22° to 23.5° Balling from mid-February until the end of March. The fruit was crushed and then cool-fermented on the skins in temperature-controlled stainless steel tanks at 25° to 28°C for two weeks. Upon completion of malolactic fermentation the wine was matured in oak for a period of 12 months.*

CELLARMASTER *Andrea Freeborough*

WINEMAKER *Samuel Viljoen*

COLOUR *Ruby red.*

BOUQUET *An abundance of ripe berry and dark chocolate aromas with nuances of oak in the background.*

PALATE *A full-bodied wine with ripe fruit and delicate oak spice flavours, firm tannins and a lingering aftertaste.*

FOOD SUGGESTIONS *An ideal partner to robust dishes from pâtés to steaks, as well as full-bodied dishes such as beef stroganoff, winter stews, roasts and mature cheeses.*
